Researchers

Find Literature, Sequences and Data

- Biological Abstracts [1]
- Dissertations & Theses [2]
- Google Scholar [3]
- GQuery [4]
- PubMed [5]
- Web of Science [6]
- UVA Clinical Data Repository [7]
- More Databases [8]
- Get Expert Help - Request a Literature Search [9]

Get Funding and Grant Support

- Funding Discovery [10]
- Toolkit for Grant Writing [11]
- NIH Public Access Policy Guidance [12]
- Search GrantForward [13]
- Search Pivot [14]

Plan Your Experiments

- Find Alternatives to Animal Research [15]
- UVA Office of Animal Welfare [16]
- PHS @ Library (statistical consulting) [17]

Find Experimental Protocols

- Cold Spring Harbor Protocols [18]
- Current Protocols in Molecular Biology [20]
- Methods [21]
- Nature Methods [22]
- Nature Protocols [23]
- Springer Protocols [24]

Analyze Data

- Data @ HSL (data consulting) [25]
- PHS @ Library (statistical consulting) [26]

Manage Citations and Workflows

- RefWorks [27]
- Choosing a Citation Manager [28]
- Open Science Framework [29]

Publication Impact and Metrics

- Journal Citation Reports (Impact Factors) [30]
- Request a publication report with Times Cited, Impact Factor [31]
How Do I?

- Learn computing and software skills [32]
- Connect from home (Proxy) [33]
- Get copyright permission [34]
- Get articles or books from other libraries [35]
- Locate and cite my article's PMCID [36]
- See all online tutorials [37]
